**Supplemental Regulations**

**\*\*This event will be run under the Sports Car Club of America General Competition and Time Trials Rules\*\***  
All Classes Recognized by the Southeast Division will be honored.  
Two driver cars are welcome as well as 2 car drivers.

**Entries**

Entries will be open to any qualified entrants. The registrar must receive the following forms from each participant.

1. Completely filled out entry form.
2. Completely filled out medical form.
3. Entry fee as specified below.
4. Mail entries to: Anita Baker  
329 Chaplewood Drive  
Dothan, AL 36305

**Fees**

- A. One driver - one car \$ 100.00
- B. Two drivers – one car \$ 100.00 per driver
- C. One driver – two cars \$ 175.00

Please do not send CASH!! All checks or money orders should be made payable to Wiregrass Region SCCA.

**Eligibility**

All drivers must be current SCCA members in good standing. All drivers must hold a current Pro, National, or Regional competition License, an SCCA Solo I/Time Trial License, an SCCA novice permit, or an SCCA Solo I/Time Trial novice permit. Some comparable licenses from other organizations may be acceptable with prior approval from the Time Trial Steward. Drivers are responsible for having their current license with them at registration. There will be no calls to Topeka and no exceptions. Solo I/Time Trial novice permits may be obtained by contacting Steve Tompkins, 285 Lovella Drive, Ringgold, GA 30736, or call him at (706) 891-3314.

**Log Books**

All Drivers whose home is in the SEDIV must have a vehicle log book. If you need a logbook, please make arrangements prior to this event

**Tech Notes**

No “M” helmets allowed. Restraints may not be older than 5 years. No car will pass tech without all lug nuts on the car. Fire Extinguisher must be mounted with a metal bracket. Racecars are not required to be removed from their trailers for tech. All tires being used at the event must be inspected. All safety gear will be inspected at tech as well as log books. Please have them out and displayed to expedite the teching. Roll Bars/Cages will be inspected, so, no cheating! Safety comes first !!!

**Car Numbers**

SEDIV Solo I/Time Trial permanent numbers will be given first priority until the night of the first tech inspection. Drivers will be responsible for having the right numbers on their cars. (Especially for two driver cars.)

### **Timing and Scoring**

Official results will be posted as soon as possible when available. DO NOT BOTHER THE TIMING AND SCORING OFFICIALS !!! Incorrect times will be corrected as needed.

### **Running Order**

Generally, there is no running order unless the number of cars is greater than can be handled by the staging official. In the past, it has been first come first served, however, be fair with your fellow competitors, try to keep the number of runs equal. Sometimes it will be necessary to pair each driver with another driver running the same time. Please be patient. We want you to get as many runs in as you want and we will do our best to allow this.

### **Overtaking and Passing**

Passing will be allowed only during the practice session. During timed runs, if overtaking a car, slow down. Return to the staging area for a re-run. A **RED FLAG** requires you to stop on course immediately. You will be advised of the situation and granted a re-run.

### **Spectator Control**

This is a NON-Spectator event. No competitor or crew member will be allowed beyond the staging area at anytime during the event.

### **Course Rules**

When the course is closed, this means absolutely no vehicles will be allowed on course before or after the Official Timed Runs. You may walk or ride a bike on the course when used with discretion.

### **Registration**

All entrants, workers, and crew must sign the waiver at registration ! You will receive ONE armband for the weekend. SCCA Participant Accident Insurance is in effect for all those signing the waiver and release form.

### **Timer and Course Equipment**

Any competitor damaging the timing equipment, in any manner, will be liable for the full cash value of the same or the cost of repairs. Any competitor damaging runway light or equipment will be held responsible for the repair cost. Most of the runway lights will be removed when possible. Construction barrels and cones will be placed at each corner and along the runways to mark the course. Some of these barrels and cones will be covering lights that could not be removed. SO DON'T HIT THEM !!!

### **Protest**

This is a fun event and the hobby of most competitors. Please try to resolve all protests among yourselves. Any conflicts not resolvable at the participants level will be referred to the Steward of the Meet for resolution according to the GCR.

### **Practice Laps**

Each driver will be allowed practice laps. These will consist of 10 to 15 minutes of track time. There will be two passing zones marked by cones. Passing will only be allowed in these marked zones after the slower car acknowledges, by moving to the right and holding up his hand.

### **General Information**

Everyone entering the event site will be required to sign the waiver. Speed limit is 5 mph and will be enforced! Shade is not available at the event site. Participants should bring all requirements to the event site with them, as the closest facilities are 10-15 miles away. Porta-potties will be available. Trash bags and containers will be available at the event site. Please use them. Participants will be responsible for their crew's conduct as well as parents responsible for control of children. Pets must remain on leashes at all times. Pit transportation will be allowed when used with discretion.

### **Camping**

Camping will be allowed in a designated area on Friday and Saturday nights. Be advised there are no bathing facilities or power at the event site. NO CAMP FIRES OF ANY KIND ARE ALLOWED !!!

### **Statement**

The Commanding General has declared that absolutely no Alcoholic beverages be consumed on Military Property.
